

We are a UK-wide group, almost 20 years in operation, working together with other Aerospace Clubs, Associations, Scouts, Girl Guides and leading industry companies, local education authorities, schools and universities and many others to -

Educate, encourage and inspire young people to take part in all forms of activities connected with Aerospace, through -

- ✈ Aircraft building projects (There are currently 37 known UK Build-a-Plane projects).
 - ✈ Training in meteorology, navigation and airmanship.
 - ✈ Exhibits and activities for young people at various aerospace shows.
 - ✈ Arranging talks and practical activity STEM sessions for schools and youth groups.
 - ✈ Arranging aerospace activity days for Squirrels, Beavers, Cubs, Scouts and Explorers, Girl Guides, and many others.
 - ✈ Working with other Groups to provide "YES Flyers" with experience of their first flight through our "2,025 YES Flyers in 2025" initiative (In 2024, we almost had 2,000 "YES Flyers" experience their first taste of soaring in the sky like a bird).
 - ✈ Running an Annual Youth Summit, where we showcase the different initiatives by lots of likeminded groups and individuals, to show what is out there, who is doing what in STEM and encourage further networking and "Working Together for Youth Aerospace".
 - ✈ Maintaining an independent web-based aerospace information centre for youngsters.
 - ✈ Providing guidance on a future career in the varied world of Aerospace.
-

“Working Together for Youth Aerospace”.
